

San Antonio NanoTechnology Forum (SANTF)

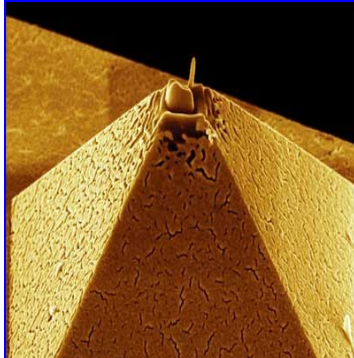

Second Annual Conference

Expanding the Frontiers of Nanomaterials in San Antonio and South-Central Texas

SANTF mission is to bring together researchers, innovators, entrepreneurs, and companies in the Greater San Antonio area working in the areas of nanomaterials and nanotechnology to showcase innovations related to the development and application of nanotechnology and nanomaterials. SANTF Conference provides ample networking opportunities with nanotechnology experts, identifying potential technological alliances and partnering opportunities with scientists with international reputation, nanotechnologists from the Greater San Antonio community.

The Program includes invited keynote presentations, presentations by leading researchers, and panel discussions on business aspects of nanotechnology..

DATE: Friday, February 21, 2014
TIME: 8.30 AM - 3.00 PM
LOCATION: HUC Grand Ball Room II, UTSA
San Antonio, TX 78249

Program includes Breakfast, Lunch, and networking breaks.
